**PETITION TO WITHDRAW HOLDING OF ABANDONMENT (37 CFR 1.181)
OR, IN THE ALTRENAIVE, PETITION FOR REVIVAL OF AN APPLICATION
FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

MS PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant has become aware of a Notification of Abandonment dated July 20 and remailed August 5, 2005 (Exhibits A and B). Applicant hereby petitions the Commissioner to withdraw the holding of abandonment under 37 CFR 1.181.

The Notification of Abandonment incorrectly shows Customer No. 20678 - Compaq Computer Corporation. Applicant encloses (Exhibit C) the stamped March 4, 2005 Application Data Sheet page for the present application that shows the correct Customer No. 30678.

The Notification of Abandonment states that Applicant failed to provide full U.S. Basic National Fee by 30 months. Applicant asserts that neither Notice of Abandonment nor a Notification of Missing Requirements was never received by Petitioner because of the incorrect Customer No. 20678.

Relevant Facts

A Transmittal Letter to the U.S. Designated-Elected Office and an Application Data Sheet were filed on March 4, 2005 and both show Customer No. 30678. In anticipation of a Notification of Missing Requirements, a filing was made on June 27, 2005 (Exhibit D) which included a second Transmittal Letter to the U.S. Designated-Elected Office (again showing Customer No. 30678), English language translation of the international application, oath/declaration, preliminary amendment and showing good intent, the \$65 late oath/declaration fee and the \$130 late translation fee were paid. To complete the PTO records, an Information Disclosure Statement filed October 19, 2005 (Exhibit E) is also enclosed.

During a routine review of the status of the application, applicant's attorney was informed by the PTO that the application had gone abandoned. Immediately thereafter, on October 14, 2008, applicant filed a Power to Inspect and immediately obtained a copy of the PTO file wrapper (Exhibit F) to determine the particulars of the abandonment and commenced this petition.

Relief Sought by Applicant

Applicant respectfully requests that the holding of abandonment be withdrawn as if no abandonment had occurred and reopen the prosecution of the present patent application. It is applicant's position that the PTO error in customer number resulted in defective notice of abandonment.

If the Petition to withdraw holding of abandonment under 37 CFR 1.181 is not acceptable, Applicant Petitions for revival of the application for patent abandonment unintentionally under 37 CFR 1.137(b).

STATEMENT

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.
